Home Study Contract

I/We will be responsible for collecting all the qualifying documents or copies of documents needed to complete a home study.

I/We realize that I/we must complete the paperwork sent to me/us by the social worker and have two in-home visits by the social worker.

I/We have agreed to pay the following:

- \$850 home study –\$425 due with this contract and \$425 due on receipt of the home study
- Social worker's travel expenses- mileage, room and food receipts - to be paid when the home study is received

I/We realize that by paying these fees and completing the requirements for a home study that I/we are not guaranteed a favorable home study.

After approval for adoption I/we understand that I/we must maintain our approved status. Failure to do so may lead to additional home study addendums or revocation of approved status. I/We understand and agree that Connecting Hearts has the right and obligation to withdraw or change its approval or recommendation set out in the home study for an event or action which comes to the attention of Connecting Hearts. Approvals or recommendations may be changed in the best interest of the child based upon information which comes to the attention of Connecting Hearts after the home study is initially completed.
